#### Product Description and Applications

Food: Juices and Beverages

Health: Medicines and supplements

Can be incorporated in animal food and supplements.

This aloe "tea" can be drawn like any other tea and enjoyed as a warm or a cold drink. Could have a laxative effect if large volumes are consumed.

The fibre can be added to a tablet or capsule formulations for fibre supplements and digestive products, also for detoxification applications.

**Warning:** The product may have a laxative effect and should not be consumed when pregnant, or breast-feeding.
